PROVISIONAL SPECIFICATION.

An Improved Sanitary Towel.

ELIZABETH CUMMING of 2 Army & Navy Mansions Victoria Street Westminster Lady do hereby declare the nature of this invention to be as follows:—

5 This towel is made of any washing material with absorbent pad attached The pad can be removed and re-adjusted when necessary without disturbing the outer towel, or the absorbant pad may be woven into the centre of towel, which towel unlike all others is suspended from the sides by elastic bands attached to an elastic waistband, this method being far more comfortable and secure than the old method of suspension back and front.

COMPLETE SPECIFICATION.

An Improved Sanitary Towel.

15 I ELIZABETH CUMMING of 2 Army and Navy Mansions Victoria Street Westminster S.W. Lady. do hereby declare the nature of this invention and in what manner the same is to be performed, to be particularly described and ascertained in and by the following statement:—

This towel is made with absorbent and antiseptic pad A attached or attachable as per drawing herewith and may be manufactured either of a material that can be washed or one that can be readily destroyed after use.

20 This towel is to be suspended from the four corners B to a tape or band of elastic or other material C to be fastened round the waist, this method being far more comfortable and secure than the old method of suspension back and front.

25 Having now particularly described and ascertained the nature of my said invention and in what manner the same is to be performed I declare that what I claim is

That this towel is unlike all other sanitary towels in that it is suspended from the the four corners to tape or band.

Dated this 28th day of November 1901.
